## *Foreword*

We, the staff of the 1966 Golden Warrior, look back on our last year at Sanger High School as one filled with many pleasant memories. We hope that this yearbook will bring to mind to each of you as many golden memories as we know it will to us.

We would like to thank Mrs. Neilan Cook who has guided us in the composition of this book of memories. It is through her untiring endeavors that it is possible.

We, the senior class, give you the "1965-1966 Golden Warrior."

## *Superintendent's Message*

Some material things depreciate with age, but you will find your Golden Warrior will become more valuable as the years go by. It will serve as a reminder of cherished memories of friends, events, and places.

We are thankful that in this free country of ours, we are permitted to become educated to our fullest desire, and are not handicapped by our social backgrounds, beliefs, or economic status. It is our hope that the preparation you received while attending the Sanger Schools will be highly profitable as your life progresses.

Sincerely,

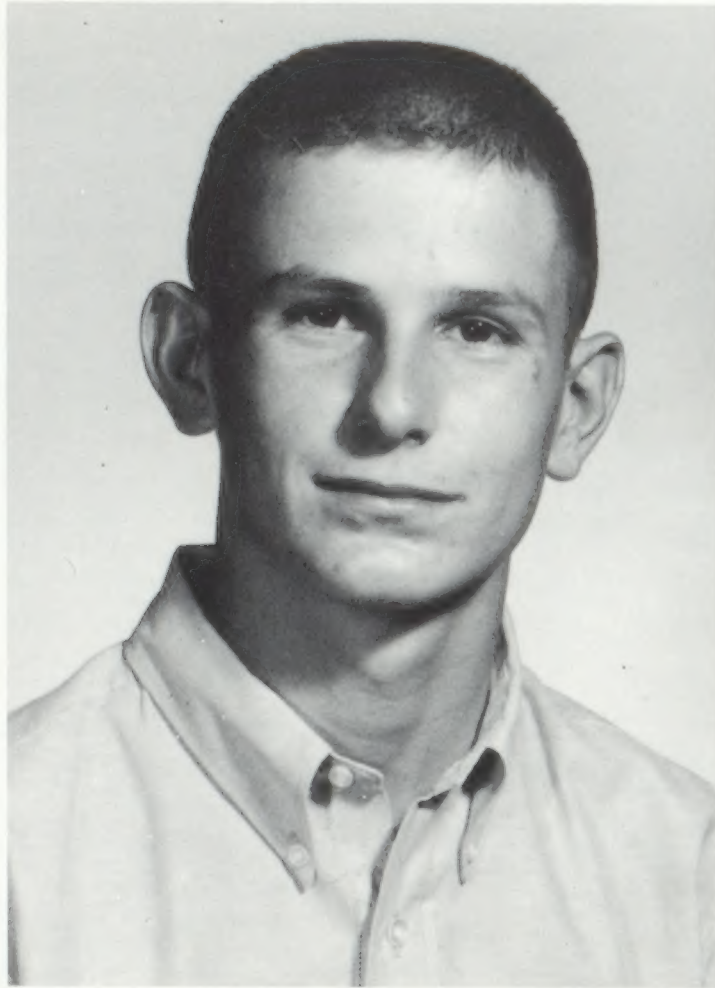

*Barrett H. Reeves*

## *In Memoriam*

We, the Senior Class of 1966, in memory of our close friend and classmate, Stephen Baker, dedicate the 1966 Golden Warrior in his honor. The high ideals and sense of achievement that Stephen stood for should be what each of us strives for throughout life.

We are sure that as we each go our separate ways, the memory of Stephen will live as a bright light shining down the paths of our future.

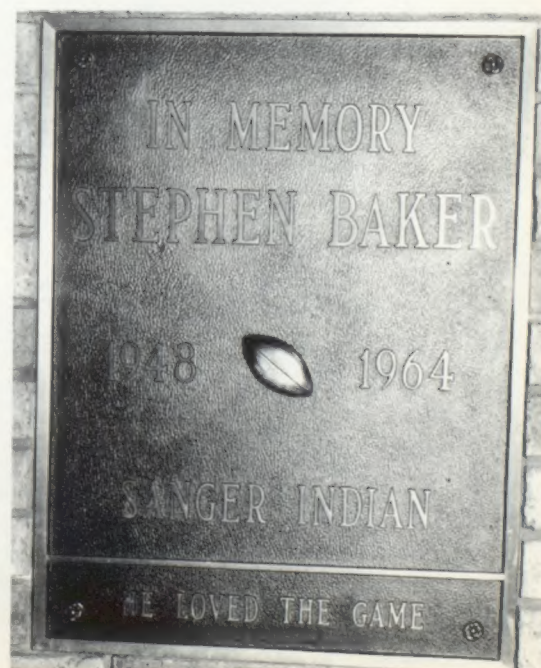

"...Glad did I live and gladly die, And I  
laid me down with a will."

As the 1964-65 school year began, the junior class felt that a program should be initiated in memory of Stephen Baker. A scholarship fund was set up by them to be awarded to a deserving senior boy each year who planned to further his education. Since Stephen was active in sports, certain qualifications were set up. The recipient is to be a letterman in at least two sports, be of outstanding moral character and have a high scholastic average. Eligible boys are nominated by the faculty. The final choice is made by the coaches with the approval of a committee chosen by that junior class. The members of that committee are Billy Harberson, Robert Howard, Jimmy Peabody, Eddie Romines, and Cal Harberson.

The first annual Stephen Baker Scholarship was given to Eddie Romines.

As a fitting memorial, the football field was renamed Stephen R. Baker Field and a brick gate, bronze plaque, and sign were erected at the front entrance. We would like to thank all those who devoted their time, effort, and materials to this worthwhile project.

# Class History

It was a warm, clear day in September, 1954, when 44 young, frightened brats entered Sanger School for the first time. We must have been meat, because we had to have two different teachers, Mrs. Chapin and Mrs. Masch. We have lost by one way or another many of those original 44 along with many more who joined us later, so only those who are graduating this year will be included. There were Jimmy Peabody, Billy Harberson, Ed Yearv, Cal Harberson, Linda Garland, Billy Jack McReynolds, Jerry Dale Ashcraft, Billy Faye Allison, Tona Batis, Carl Spindle, Pete Isbell, Shirley Rich, Donna Smith, Jean Harvey, and Vickie Cole Campbell.

The next year, Jimmy Peabody left for the big city, Houston. Maybe that's why he's such a ladies' man. Robert Howard joined us that year and made life a little harder for our second grade teacher, Mrs. Virgie Heffley.

There were no newcomers in 1957 or 1958. Our third grade teacher was Mrs. Margurite Riggs and our fourth grade teacher was Mrs. Winnie Minick.

Mike Martin and Joe Smith joined us in 1959. Our teacher was Miss Cathlene Gentle.

Barry Reeves became one of the group in 1960, our sixth year of school. Mrs. Pirkle was our teacher. Jimmy Peabody came back that year also.

Our first year in Junior High we had no new faces, but we did get to participate for the first time in organized football and basketball. This was also the first time we all had more than one teacher. They were Miss Holt, Mr. Bratz, Mr. Ashford, and Mr. Lowrey. At mid-term that year we got another teacher-Mrs. Renfrow.

Aun Williams joined the ranks in the eighth grade. That year we graduated from Junior High and became part of the elite. High School, here we come!

In 1963 we found out that high school is not all play. However, almost everyone will agree that we had a ball. Toni Johnson came from Wichita Falls along with Donna Smith from Denton to add to our class. We had most of the high school teachers to get along with that year. Our sponsors were Coach Lowrey and Mr. Banks.

Our Sophomore year was a very thrilling one for most of us. The football team won the district title for the first time since 1964 and got the annual dedicated to them. Our sponsors were Mr. Cook and Miss Goehring.

Just before school started in September, 1964, during pre-season football practice, a great tragedy struck us, and indeed all of Sanger. Stephen Baker had died from a head injury received during a football scrimmage. He had started with us in the first grade and we all knew him as a close friend. His loss was immeasurable to all those who knew and loved him. The football field was named in his honor and memory. That year the Junior Class set up the Stephen Baker Scholarship Fund. This is an annual award given to a Senior boy who, in his teachers' opinions, exemplifies those virtues that Stephen considered important and who participates in at least two sports. The memory of Stephen will long remain in our hearts.

The highlight of the Junior year was the Junior-Senior Banquet. Our theme was "Tender is the Night" and any Senior '65 will tell you that it was the best banquet ever held at Sanger High. We all eagerly awaited our Senior year, but the new faces of Kernerth Cardwell, Shirley Rich, Arnold Garza and Jane Sparkman helped ease the situation. Our sponsors that year were Miss Goehring and Coach Hicks.

In 1966 we finally made it to be Seniors. Billy John Millbrooks and Freddie Sims have come to graduate from Sanger High with us. Vickie Cole and Robert Howard got married (but not to each other) and graduated at mid-term. The class now numbers 20. Highlights of the year were receiving our Senior rings, publishing the annual, and of course presenting the Senior Play (The Skeleton Walks), and last but not least graduation. Miss Holt and Mrs. Owens were our sponsors during our Senior year.

As we look back, we are saddened at the memory of all our departed friends. But we are also filled with a sense of achievement at the knowledge that we have finally, after 12 long years of work, reached the milestone in our lives that graduation brings. We are both overjoyed and at the same time regretful to leave dear old Sanger High. We hope that the future classes of Sanger High enjoy their school years as much as we have and have only fond memories of dear old Sanger.
